3. Arrangements

The school has agreed the following arrangements to ensure the safety and security of staff, pupils and other persons using the school premises.

3.1 Information and Communication

All staff must be aware of the school's security procedures, especially staff that have been given a specific role to play.

All staff induction will include the school's security policy and will be recorded on the employees training profiles. Records of which are kept in the school's Risk Register.

These arrangements will be communicated to all third parties that use the premises and grounds. All will be expected to comply with the schools security arrangements as a condition of sharing use of the building.

Parents will be informed about the school security arrangements and any part they are expected to play. For example when visiting the school or at handover times.

3.2 Controlled access and egress during the school day

Controlled access is a combination of measures to ensure that unauthorised visitors do not present an unacceptable risk to pupils or staff.

The extent of physical controls, such as fences, has been decided by a robust risk assessment of the likelihood of visitors presenting a risk and the reasonableness of the control measures needed to reduce this risk. Howden le Wear Primary School has, through risk assessment, balanced the need to remain a welcoming environment to the community and safeguarding pupils.

Buildings

The school will take all reasonable efforts to restrict access to the building to prevent unauthorised access to children and ensure the personal safety of staff.

The access control procedures for the building are –

- The main building has only single access entrance via reception. Only authorised visitors allowed access. A bell is located next to the main door.
- All doors cannot be opened from the outside.

Grounds

The following parts of the school have been secured by means of physical restrictions such as fencing.

Rear playground and field – fenced in on all sides by 5ft fence and tall bushes in places

The following areas are accessible by the public but the risk is controlled with our school's supervision arrangements and how the school deals with visitors.

The access arrangements for the grounds are –

- **School field** – access to school field for PE and playtimes – always under control of staff. Staff would professionally challenge any person not wearing a school visitor badge.
- **Lunchtime** – Always under control of staff. Staff would professionally challenge any person not wearing a school visitor badge.
- **Playground** – The area is only used under staff supervision and staff would professionally challenge any person not wearing a school visitors badge

3.3 Early Years Outdoor Areas

As pupils require access to the outside areas at all times the governors have ensured that a secure outside area has been provided that has a suitable perimeter fence at least 4ft high. This has fixings that prevent an Early Years pupil opening the gate to exit this area without adult supervision.

Where this area is adjacent to where members of the public have unsupervised access consideration has been given to improved fencing where required. The extent of fences will be decided by risk assessment.

3.4 Control of Visitors

The control of visitors is a fundamental part of our school's security policy for the safeguarding of both people and property.

Our policy is that –

- All visitors report to reception on arrival.
- All visitors are issued with a badge to be worn at all times. This includes parents, helpers, contractors, LA staff and any other person that is not school staff.
- All visitors will be asked to turn off mobile phones or leave them in the main office under the supervision of the school secretary.
- Any person on site without a badge will be asked to accompany a member of staff to the reception or asked to leave the site.
- Any refusal will be reported immediately to the Head Teacher. Any aggression will be reported to the police.

- Visitors will not remove any items of school property without the express permission of school staff.
- For their own safety any authorised visitors will be given appropriate information on the school's health & safety procedures such as e-safety, parking, fire safety and first aid.

3.5 Supervision of pupils

The school's overall safeguarding strategy requires that at times the security of pupils is achieved by competent supervision by authorised school staff.

Locations where supervision is part of our safeguarding procedures –

- Playground – Children are always supervised in this area and visitors challenged.
- Times of the day when supervision is part of our safeguarding procedures –
- Start of school day – all children enter through the side playground entrances or EYFS entrance. The EYFS and side doors will be open to allow access. This area is supervised 8.45am to 9.00am. Parents have been informed of these arrangements and that supervision does not start till 8.45am, when the main gate is opened.
- Lunchtime – all parts of the school site without access control are supervised.

3.6 Cooperation with third parties, extended services and community groups

Our school security arrangements have taken into account any other third parties that use the school building or grounds. In most circumstances the arrangements for the school in general will be equally applicable for the third parties involved. Below are the additional security measures that apply to the groups listed:

- Breakfast Club – Breakfast club supervise access to school via main entrance and know not to allow visitors into the rest of the school building.
- After School Clubs – After School clubs will supervise collection of children via the main entrance. Where outside providers are used appropriate checks will be made for DBSs, appropriate qualifications and insurance. School staff will support external coaches seeing children off site at the end of an after school club.

3.7 Supervision of contractors

Contractors and maintenance personnel will not always have been DBS checked as they should not have unsupervised access to children. They will therefore be controlled as follows –

- All will be given school badges and be expected to wear them.
- They will only park where authorised to do so.
- Will only carry out work agreed at the start of the contract and at the times agreed.
- Will be supervised at all times by school staff. This does not mean watched continuously but in a way proportionate to their location and proximity to unsupervised children.

3.8 Lone Workers

Our school has Lone Working Risk Assessments for staff where there is a security risk due to the need to work alone.

3.9 Physical Security Measures

The governing body has considered the need to use physical measures such as fencing and electronic access controls to ensure the safety of staff and pupils. The governors will review the provision of physical security measures on a regular basis in the form of a security risk assessment.

The risk assessment will take into account –

- The location and layout of the school
- Past incidents related to security
- The performance of other security measures already in place or that could be implemented.
- The cost of physical security improvements and the availability of funding.
- Where justified by consideration of the risk governors will ensure that physical security measures are installed. Where physical controls are not justified the governing body will ensure that other controls are implemented by the school to ensure the safety of staff and pupils.
- Where electronic controls are installed, for example alarm systems, they will be maintained as recommended by the manufacturer.

3.10 Locking arrangements.

At different times of the day the school security arrangements require the locking of various entrances and exits as detailed below.

Main Car Park and Walkway Gates – Unlocked by the caretaker at 7.00 a.m. and locked again at 6 pm, Monday to Friday during term time. They remain locked all night and at weekend. The side gate that leads to the playground is opened at 8.45am and locked at 9am. It is reopened at 3pm and locked at 3.15pm. This is to ensure the safety of the children at the beginning and end of the day.

Main Entrance door – Opens 7 am to 6pm for staff on a key entry system.

Main school and EYFS doors are open from 8.45am to 9am and then reopened from 3.05pm to 3.15pm

3.11 Cash Handling

School avoids keeping cash on the premises wherever possible. Safes are used and kept locked. Cash handling is avoided in visible areas; any money requiring banking is done at irregular times, particularly where substantial sums are involved. Loomis Cash Collections are organised on an ad hoc basis to assist with banking and security of cash.

3.12 Valuable equipment

All items above the value of £25 will be recorded in the school stock book. Items of valuable portable equipment with a value above £250 will not be left unattended in rooms where there is public access. In such locations the room will

be locked when it is vacated. Wherever possible valuable items will also not be left where visible from outside.

The security risk assessment will take into account the location and security arrangements for high value equipment, for example ICT equipment.

3.13 Personal Property

Personal property will remain the responsibility of its owner. This includes both staff and pupil personal property. Both are discouraged from bring to school any valuable personal property.

Lost property should be handed to the school office where it will be kept for 6 months before disposal.

3.14 Medicines

There are occasions when pupils may be prescribed treatment where medicines are needed during school time. Parents will provide such medicines in suitable and labelled containers. These containers will be locked in the schools medicine cabinet in the safe. The key is available from school office.

Arrangements for the administration of medicines are detailed in the medication in school policy.

4. Risk Assessment

A security risk assessment will be completed annually by the Head Teacher/Deputy Head Teacher. The findings will be used in the review of this security policy.

The risk assessment will use the format in the CYPS School Health & Safety Policy & Procedures Manual.

5. Monitoring and Review

The Head Teacher will monitor the performance of this policy and report breaches, failings or security related incidents to the Governing Body.
