

Paint some pebbles and turn them into colourful creatures.

Use chalk to make a game of hopscotch.

Gather twigs, branches, leaves, pebbles and other natural materials and make a life sized you!!

Make or complete a jigsaw puzzle (50 pieces or more.) Take pictures to show your progress.

Make a calming and imaginative wind chime.

Create a map of a walk you go on. Include road names and direction, include features which are human or manmade.

Make some ice lollies using diluted juice, lollipop sticks and a freezer. If you are feeling adventurous try adding other ingredients such as fruit or yoghurt.

Imagine yourself on a desert island. What 3 items would you take and why? What could you live without and why?

Design a summer postcard.

Fill an empty washing up bottle with water and practise writing spelling words on the ground.

Make a finger print minibeast painting.

Use a range of materials to create your very own shoebox garden. Find an old shoebox and fill it either with natural materials (grass, seeds, flowers, wood), man-made materials (paper, card, plastic) or you could use a mixture of both types of materials.

Make a time capsule. Remember to include photos, objects, information about yourself and the date that you made your capsule.

Cook a summer recipe and write the instructions for your creation.

Create your own obstacle course. Time how long it takes you to complete it.
