

Y2 Home Learning – Week beginning 20.04.20

I hope you are all safe and well and have had a peaceful Easter with your families. As we approach the Summer term I hope you find the resources on our Y2 Home Learning page, which you can find on our school website, useful and informative.

Each week I will upload a 'suggested timetable' with linked resources which you might find useful but this is by no means a requirement. The most important thing is that your child is enjoying their learning and feels engaged. Many thanks for your continued support. Please find the suggested timetable for this week below.

Keep safe and have fun!
