

Maths

- Complete weekly Mathletics activity;
- Try some of the activities on White Rose Maths:
<https://whiterosemaths.com/homelearning/>
- Complete a 5 a day:
<https://corbettmathsprimary.com/5-a-day/>
- Complete activities in your CGP books.

Science

- Our new topic is 'Changing Sound' – see the class page on our website for lesson slides which you can read through and then choose a piece of work linked to the lesson.
- Carry out an investigation of your own choosing – remember to plan it and check your test is fair, then record the results.

PE

- Stay active at home!
- Try Joe Wicks, Go Noodle, Just Dance etc via YouTube.
- Invent your own exercise / dance / fitness routine.

English

- Read!!! This could be your accelerated reading, guided or any book at all – remember you can then do an online quiz.
- Complete some of the Guided Reading tasks on the class page of our website.
- Read a book from Fiction Express and complete the related activities:

<https://en.fictionexpress.com/account/login/>

- Write!!! Choose a picture from Pobble and do a free write or enter the writing competition on Fiction Express.

<https://www.pobble365.com/>

- Write a diary, a letter, a set of instructions, a song, an explanation, a report, a poem or anything else you feel like...
- Complete your weekly Lexia target – this is a great opportunity to finish your level!
- Complete activities in your CGP books.
- Complete your group's spelling sheet – they are all on the website.

Humanities

- Our **Geography** topic is to study the countries of **South America** - see the class page on our website for lesson slides which you can read through and then choose a piece of work linked to the lesson.
- Our **History** topic is to study Ancient China (The Shang Dynasty) - see the class page on our website for lesson slides which you can read through and then choose a piece of work linked to the lesson.

Year 5/6

Home Learning Grid

April / May 2020

(see links on the **Home Learning** page for our class on the school website)

Computing

- Research the topics we are studying above and present your findings using Powerpoint, Publisher, Word etc.
- Experiment with computer programming using Kodu, Scratch, Minecraft etc.

Art / DT

- Make your own musical instrument (linked to our science topic) using junk modelling (e.g. cardboard boxes, tubes, elastic bands).
- Research artists and create drawings, paintings, sculptures, models etc. linked to South America or Ancient China.
- Cook! Prepare meals from the countries we are studying – or just cook your favourite thing to eat!
