

-Personal Social and Emotional Development

- Try our Jigsaw PSED activities:

- How you can you be a kind friend? Watch "The Dog and the Dolphin" by James Dworkin"

<https://www.youtube.com/watch?v=UJSvJjp04CQ>

-Learn our keeping clean and staying rhyme to the tune of Baby Shark

<https://www.youtube.com/watch?v=L89nN03pBzI&vl=en>

Communication and Language

-**New language:** turtle, jellyfish, lobster, walrus, octopus, polar bear, blue whale, crab, dolphin, angel fish, shark, swordfish, sting ray, barnacles, penguins; water, sea, ocean, commotion, creatures; float, sink, bubble,

-Clap out syllables (beats) in the key vocabulary words above and count the claps.

-Listen carefully to and follow instructions for some of the activities

Physical Development

-Try some "Ocean Yoga"- see picture below or try Cosmic Kids yoga "Squish the Fish"

<https://www.youtube.com/watch?v=LhYtcadR9nw>

-Practise your pencil skills forming bubble shapes:
(see home learning page to print out template)

-Try some bubble bin sensory play and whip up water, washing up liquid/ child shampoo, food colouring using a hand whisk.

-Move like a different kind of sea creature from the Commotion in the Ocean book eg sideways like a crab, on stomach like a turtle, wobble like a jellyfish

-Imagine you are a bubble with your body- grow bigger and bigger until you pop!

Literacy

-Share the poetry book "Commotion in the Ocean" by Giles Andreae

<https://www.youtube.com/watch?v=9pRhgz8Jffs>

-Can you think of any rhyming words for sand, shell, fish, sea, fin, ray. You can try and record your rhyming words on the worksheet (see home learning page)

-Try the "Read and Colour" Under the Sea worksheet (see home learning page to print out sheet)

-Reception- say and write simple sentences about the picture "What Can You See Under the Sea?" (see home learning page to print out template)

-Use a paintbrush dipped in water to try and write your name, letters or key words from flashcards onto the pavement.

-Learn some rhyme about Bubbles (see below)

Summer Adventures: "Bubbles" and "Commotion in the

Ocean"

Outdoor learning:

- Make a stick fishing rod and add string. You could try whittling your stick using a potato peeler to reveal what is under the bark.
- Use sticks and string to make your own giant bubble maker (see right for bubble mixture recipes or use shop bought bubble mixture)

Expressive Arts and Design

- Imagine you are a bubble and make up a floating bubble dance to the song "I'm Forever Blowing Bubbles" <https://www.youtube.com/watch?v=H6SXi4I47Qw>
- Make up your own dance to The Little Mermaid' "Under the Sea" https://www.youtube.com/watch?v=GC_mV1IpjWA
- Try printing and painting with bubble wrap (see below)
- Make a bubble picture on black paper- print circle shapes using round household objects in white paint, add colours with chalks, pastels or paint to make the rainbows on your bubbles (see below)
- Make your own beaded bubble wands https://www.redtedart.com/bubble-wand-making-station/?utm_medium=social&utm_source=pinterest&utm_campaign=tailwind_tribes&utm_content=tribes&utm_term=319755362_9405890_111183
- Make an extra large bubble wand from a metal coat hanger

Understanding the World

- Try and make your own giant bubbles <https://www.redtedart.com/bubble-recipe/?cn-reloaded=1>
- Try and make your own bubble mixture: 12 cups water, 1 cup of washing up liquid, 1cup of cornflour, 2 tablespoons of baking powder.
- Make an under the sea habitat for any sea creature toys you have in a container. Add water, sand, shells, stones,
- Draw a picture on a paint program on your computer of an under the sea scene.

Mathematics

- What 3D shape is a bubble? Are they always a sphere? Test by blowing bubbles. Then try using straws and pipe cleaners to make a different shaped bubble <https://babbledabledo.com/science-engineering-kids-tensile-bubbles/>
- Try the "Find, Colour and Count" sea creature worksheet (see home learning page for printable sheet)
- Explore using shells to make number bonds to 5 or 10, how many ways can you make 5 or 10. Can you record it in a number sentence eg 3 face up shells and 7 face down shells is $3+7=10$. (See home learning page for a five and ten frame template)
- Play doubling game- roll a dice and find double the number of shells. You can write this as a number sentence eg $3+3=6$
- Learn the number rhyme "5 Little Bubbles" and find one less each time (see below) <https://dbsenk.wordpress.com/2013/10/02/bubbles/>

OCEAN YOGA

I am a jellyfish.
STANDING FORWARD BEND

I am a shark.
LOCUST POSE

I am a dolphin.
DOLPHIN POSE

I am a crab.
TABLE TOP POSE

I am a turtle.
TORTOISE POSE

Ocean Animals

5 Little Bubbles

5 Little bubbles, floating to the floor,
One bubble popped (Kids clap hands as you say POPPED)
and then there were 4

4 little bubbles, round as can be
One bubble popped and then there were 3

3 little bubbles, were flying just to you
one bubble popped and then there were 2

2 little bubbles, were having so much fun,
One bubble popped, and then there was 1.

1 little bubble, round as the sun
Until that bubble popped, and now there are
none!

POP! goes the bubble!

(sung to "Pop Goes the Weasel")

Soap and water can be mixed.

To make a bubble solution,

Carefully blow. Now, watch it go!

Pop! Goes the bubble!

Bubbles

(sung to "Twinkle, Twinkle")

Bubbles floating all around

Bubbles fat and bubbles round

Bubbles on my toes and nose

Blow a bubble...up it goes!

Bubbles floating all around

Bubbles... falling... to... the... ground.

There are **BUBBLES IN THE AIR**

Tune: "If You're Happy And You Know It."

There are bubbles in the air, in the air.

There are bubbles in my hair, in my hair.

There are bubbles in the air,

There are bubbles in my hair.

There are bubbles everywhere, everywhere!

-Jean Warren

Bubble Wrap Printing
