

Eat More Fruit and Vegetables

Today we will be...

Finding out what our favourite fruits and vegetables are in the class.

How many different
fruits and vegetables
can you think of?
Discuss your ideas
with a partner!

How many fruits and vegetables did you think of?
Write them down here...

Have a look at the list you have made. If you had to pick one fruit to be your favourite and one vegetable to be your favourite, which would it be and why?

Today we will be finding out what the most popular fruits and vegetables are in our class. How do you think we could do this?
