Head Teacher: Mr C Baines BA (QTS)

Chair of Governors Welcome

May I take this opportunity as Chair of our Governing Body to welcome you to Howden-le-Wear Primary School.

Your children are welcomed every day into a warm, friendly learning environment that reflects our school motto, "Building Futures" along with our mission statement, which reverberates through all aspects of school life.

Everyone involved with our school, from our Headteacher down, really does believe that EVERY child in our school deserves the best start on their educational journey, as this will be the stepping stone that will ensure children "build their own unique future".

Thank you for making Howden-le-Wear Primary School **your** choice for an "outstanding" education for **your** children, and giving our dedicated team the opportunity to help **your** children achieve all that they can.

The Governing Body and I are readily contactable via the school office if you have any queries, and I am happy to meet you face to face to discuss any issues you may have. Many governors can also be found at school events throughout the year, so please stop us for a chat when next you see us.

Yours Sincerely,

Patrick Morton

Dr P Morton
Chair of Governors
