Maths

- Counting in 5's <https://www.youtube.com/watch?v=EemjeA2Djjw>
- Your maths task today is about telling the time to the nearest 5 minutes. Go through the powerpoint first to practise telling the time and then complete the one of the time worksheets.

English

Have a look at the Frozen Palace picture on Pobble 365 and read the story starter. Can you continue the story? Remember to use lots of description in your story so that you 'paint a picture' in the readers minds. I look forward to reading your stories!

Remember to do your 20 minutes of LEXIA too!!!

Reading

Read chapter 1 of The Dragon Inside (Level 1) called School's Out on the Fiction Express website. Now answer the Reading Comprehension questions.

DT

This half term we are designing, making and evaluating mini greenhouses! Today you will look at what a greenhouse is and how it works. Go through the slides and then choose a follow up task to complete.

Have fun!
